**Scoping Request: Amended Landscape Enhancement Works, Mill Pond Restoration etc. at Knepp Castle**

**3<sup>rd</sup> August 2017**

The Gardens Trust (GT) is a statutory consultee on matters concerning registered parks and gardens, and is now working closely with County Garden Trusts such as Sussex Gardens Trust (SGT) with regard to commenting on planning policy and planning applications.

On 21st July, the GT was consulted by Jane Mosely Re the above and this has been forwarded to Sussex Gardens Trust to consider.

The Trust supports section 7 of the document, in particular the inclusion in the EIA of detailed information assessing the impact on the landscape especially the visual impact, supported by photo-montage images from key viewpoints, similar to those included in earlier applications.

Kind regards
