For the attention of Sally Simpson

22nd August, 2017

Dear Sirs,

WD/2017/1682/F ERECTION OF DETACHED GARDEN POTTING SHED: CONYER LODGE, CORSELEY ROAD, GROOMBRIDGE

Sussex Gardens Trust (SGT) is a member of the Gardens Trust, (a national statutory consultee), and works closely with the GT on planning matters; the GT has brought this application to the SGT's attention.

Representatives of SGT have reviewed the documentation submitted with this application. The Trust neither supports nor objects to the application; however the Trust points out that the modern design and materials used for the structure do not appear to be in keeping with the historic walled garden.

Yours faithfully

Jim Stockwell

On behalf of the Sussex Gardens Trust.
