For the attention of Jane Sabin

12th August 2019

Dear Sirs,

WD/2019/1366/F SWIMMING POOL AND POOL BUILDING: CONYER LODGE, CORSELEY ROAD, GROOMBRIDGE

The Gardens Trust (GT) is the statutory consultee on matters concerning registered parks and gardens, and is now working closely with County Garden Trusts such as Sussex Gardens Trust (SGT) regarding commenting on planning policy and planning applications. The GT has brought this application to the SGT's attention.

Representatives of SGT have reviewed the documentation submitted with this application. The planned structure is located within the boundary of Glen Andred – a site included as a Grade II* Park or Garden on the register of Historic Parks and Gardens maintained by Historic England. The submitted plans do not show the design of the pool roof or the materials to be used. However, provided the planning authority is satisfied the roof design and materials will not cause harm to the significance of the Registered Park, the Trust would have no objection to the principle of the proposals.

Yours faithfully

Jim Stockwell

On behalf of the Sussex Gardens Trust.
