Dear Sir,

Cowdray Park Construction of 12 Tree Houses SDNP/20/01693/FUL

Sussex Gardens Trust (SGT) is a member of the Gardens Trust (GT) (a national statutory consultee), and works closely with the GT on planning matters; the GT has brought this application to the SGT's attention. The application site lies just within the boundary of Cowdray House, a Grade II* Registered Park and Garden.

Representatives of SGT have carefully studied the documents submitted with the application and concluded that the proposals will have limited impact on the significance of the Park. For this reason SGT does not object to the application, nor does it specifically support it.

Yours faithfully

Jim Stockwell

On behalf of the Sussex Gardens Trust.
