Dear Sirs

Re DC/17/1626 Warnham Park – Revised Plans - Dismantling of timber framed building at Westons Place and relocation/reconstruction at Warnham Park for use as a stag heritage museum

Thank you for consulting Sussex Gardens Trust (SGT) regarding the above application. The Gardens Trust (GT) - formerly the Garden History Society (GHS) - is a statutory consultee on matters concerning registered parks and gardens, and is now working closely with County Garden Trusts such as SGT regarding commenting on planning policy and planning applications.

Sussex Gardens Trust had previously suggested locating the barn a few meters further back than originally proposed. Representatives of the Trust have studied the revised plans and are pleased to note that this suggestion has been taken up.

Yours faithfully

Jim Stockwell.

On behalf of the Sussex Garden Trust.
